

## Long Island Bahamas Boat Rentals & Tours

### COVID-19 Policy and Procedures

1. All employees are vaccinated against Covid-19.
2. All employees have received *The Bahamas Tourism Readiness & Recovery Committee's "Compliance Training Certificate"*.
3. Long Island Bahamas Boat Rentals and Tours has completed the *Covid-19 Workplace Readiness Tool* from the Ministry of Health.
4. Our business has implemented the use of face masks.
5. Our business has made available hand sanitizer for both tours and rentals.
6. Our business has implemented boat sanitization scheduled before and after each private group tour or rental.
7. Our business encourages the use of personal snorkel gear. If the rental of snorkel gear is desired, we provide complete sanitization of the snorkel gear.
8. Our business has implemented procedures to check for signs & symptoms of Covid-19 such as daily temperature checks of our employees.
9. We strongly encourage anyone who feels sick or is exhibiting symptoms to stay home.
10. Our business regularly monitors developments and policy changes with our local government & health officials.
11. We would greatly appreciate for our guests to wear masks, respect social distancing measures, and maintain health-conscious behaviours.
